I/we wish to give the following feedback on the wording of *The Nore Vision* report

The explanation for my/our feedback on the wording of *The Nore Vision* report is as follows¹:

I/we propose the following possible amendment(s) or alternative wording that will address my/our feedback *while also* seeking to secure the support of all stakeholders as follows:

What will happen to your feedback?

Feedback that includes both explanations and proposals, and that seeks to secure the support of all stakeholders to ensure consensus, will be considered and addressed by *The Nore Vision* Steering Group. A further notification will be sent out to all participants if a change in the wording of *The Nore Vision* report is proposed, and there will be an extended time for this to be viewed.

Signing up to The Nore Vision

When the final version of *The Nore Vision* is confirmed, you will be asked to indicate your support for it and to share it within your own community, group or organisation as widely as possible. Everyone will be urged to seek out opportunities to deliver elements of the agreed *Nore Vision*.

¹ Failure to provide a clear explanation along with alternative proposals will mean the feedback cannot be addressed.
