

MY WELFARE: QUICK AND EASY ONLINE APPLICATION PROCESS

On foot of the further restrictions announced on Friday evening, the Department of Employment Affairs and Social Protection is expecting a big influx of people looking for income supports. The Department's online portal **www.MyWelfare.ie** is by far the easiest and quickest way for all customers to apply.

All that is required is for the individual to have an email address, a bank account and a PPSN. Simply go onto the Covid-19 Services section of the website and apply for the payment.

If anyone needs support in completing their application, contact a member of KLP SICAP team and we can talk you through it.
